The human body is designed to be healthy! The primary system in the body, which coordinates health and function, is the nervous system. Your nervous system is surrounded and protected by the bones of the spine, called vertebrae. Many of the common health challenges that adults experience have their origins during the developmental years, starting at birth. Layers of damage to the spine and nervous system occur as a result of various traumas, toxins, and emotional stress. The result may be misalignment to the spinal column and damage to the nervous system – a condition called Vertebral Subluxation. Please answer the following questions to give us a better understanding about your state of wellness and factors which may be contributing to vertebral subluxation and *impeding your body's ability to heal.*

Have you ever been involved in an auto accident? □Yes □ No If yes, when? _____

Please describe any other traumas you have undergone: _____

Non-Covered Services: Financial Disclosure Form

Provider Name: Godfrey Chiropractic and Wellness- Dr. Marc Godfrey, Dr. Justin Godfrey, and Dr. Jon Godfrey

Address: 119 6th Ave E City: Alexandria State: MN Zip: 56308 Phone Number: (320)762-8185

As your Doctor of Chiropractic, I want to provide you with the best care possible. While your policy covers some chiropractic services, there may be others that I feel would help the treatment of your condition and maintenance of good health, but are not covered by your health insurance coverage. If you agree to receive these services, and they are later determined to not be eligible for reimbursement through your health plan policy, your signature on this form signifies your agreement to pay for them in full. While you may choose to not obtain these services, I want to reassure you that I will only recommend care that I believe will benefit your health.

Chiropractic services typically covered by health insurance policies include:

- Chiropractic manipulations to treat a clinical condition
- Treatment that has the potential to significantly improve a clinical condition
- Limited treatment of symptom flare-ups or exacerbations where a permanent condition exists.

Services that we expect to not be eligible for reimbursement through your plan's chiropractic benefit, and therefore will likely be your financial responsibility should you elect to receive them, are outlined below. Your financial responsibility is limited to services received during the treatment plan as defined below:

Non-Covered Service	Cost Per Visit*	Member Initials/Date
Exam(s)	$40	
Manipulation	$43.00/ $45.00	
X-ray(s)	$43.00	

*Patient's billed amount may not exceed the provider's usual and customary amount

I agree to be financially responsible for all the charges incurred at this clinic including my insurance deductibles, co-payments, and any services rejected by my insurance company. In addition, Godfrey Chiropractic and Wellness will not allow a bill to be over $250. If the amount due is greater than $250 you will not be allowed to receive services until it is paid.
